description:

Beautiful and charming corner house in the old town of Salobreña. With a terrace palomar very romantic with views of the sea and the mountain, where you can enjoy the evenings with family and friends. It has 2 bedrooms, and a living room between the two with a balcony to the street, which serves as a 3rd bedroom if required. The ground floor plays with the grace of 2 heights, being the living-dining-kitchen in the lower level, and 2 steps above the other room with bath, dealer and bohemian with a wall formed by stone of the mountain and a very good pantry-store. It is a house with lots of charm. Also could make 2 apartments, since the staircase entrance is in the inbox, and you can give independence to each plant.
